## Citizenship in Society Merit Badge

**NOW Eagle Required July 1, 2022**

Scoutmasters: Thank you for helping your Scouts in their journey through Scouting. The new merit badge, Citizenship in Society, is now “Eagle Required.” The Advancement Committee has adopted a process focused on serving those youth who will “age out” this calendar year. Both Scouts and Counselors participating in National’s pilot reported that results were enhanced working with a group of 6 to 8 high school aged Scouts who were within 2 years of age.

The process prioritizes 17-year-old Life Scouts who will not complete the Eagle Scout requirements (less an Eagle Board of Review) prior to June 30, 2022. Participation will be expanded for other Life Scouts (and other ranks) as the demand by 17-year-olds diminishes.

### **Please:**

Review the Citizenship in Society requirements.

Review the Scout’s record of completed merit badges.

Discuss cohort participation with Scout and parent. Determine readiness.

Complete the on-line form: <https://forms.gle/rxgjH2zU8b8aofyf8>

Please assure the parent is connected to Scout in Scoutbook as all communication and Merit Badge sign-offs will occur through Scoutbook

### **What will happen:**

Parent will be sent coupon code and instructions for Scout to:

Review Available Citizenship in Society Cohorts

Select Cohort with compatible schedule

Register using a one-time Coupon Code or pay \$1,000 (this is there to ensure scout has a coupon code!).

Scoutbook will be used for all communications.

Virtual meetings such as Zoom, Goggle Teams, etc.

Join us for our incredible "Universe Around Us" Briones District Cub Scout Day Camp from **July 14th to July 15th** at Sugarloaf Open Space in Walnut Creek.

Your Scouts will enjoy a variety of exciting activities from making stomp rockets, earning the Astronomy Belt Loop, to learning scout skills and games.

This Cub Camp is open to all Girls and Boys (Cub Scouts) entering the 1st – 5th Grade.

## Journey to Excellence

The Boy Scouts of America has released the latest update to the annual [Journey to Excellence scorecards](#), which list the unit evaluation items that go into determining a unit's JTE status at the end of the year. We've always encouraged unit leaders to use the scorecard a few times a year to see how they're doing. Now is a good time to see how the first half of the year went and what might need to be improved upon going forward.

## Minor Modifications to Scouts BSA Rank Requirements

In 2021, all outdoor-related rank advancement requirements were reviewed and realigned based on guidance from the National Outdoor Ethics and Conservation Subcommittee. These adjustments will help more effectively build a Scout's outdoor ethics knowledge and align with the information in the Scouts BSA Handbook and Fieldbook. The requirements now build in a logical way through the ranks, with Leave No Trace (LNT) and the Outdoor Code (OC) used as references throughout.

**Beginning August 1, 2022, these minor modifications to the Scouts BSA requirements for the ranks of Scout through Star will take effect.** Scouts may continue using the existing requirements for the rank on which they are currently working, or they may choose to use the new requirements. Scouts must use the new requirements once they advance to their next rank. On January 1, 2023, all Scouts must use only the new requirements.

The specific changes are detailed below.

In addition, beginning July 1, 2022, the Citizenship in Society merit badge becomes required for the rank of Eagle.

Finally, new videos were created to support "Personal Safety Awareness" (chapter 13) of the Scouts BSA Handbook. These can be used as an alternative to earning the Cyber Chip.

The specific changes can be found [here](#).

# NYLT LEADERSHIP ACADEMY

While on the surface it may appear that the NYLT Leadership Academy is just a standard train-the-trainer course, but in reality it is so much more than that. The NYLT Leadership Academy is a special place where youth learn to lead themselves, lead others, and change their communities, and world for the better.

Everyone that has completed NYLT is encouraged to take on this next challenge in their leadership journey and hone skills that will be with them forever.

In 2022, we'll be offering the NYLT Leadership Academy course at 4 locations during 5 weeks.

## Creating a Community of Upstanders for Cub Scouts

Interactive PowerPoint Presentation  
20-25 minutes  
(perfect for Pack Meetings)

After the meeting tables:

Sign the iKind Pledge for a wristband and a sticker.

Spin the kindness wheel and win a prize.

Be Kind

BE A FRIEND  
whenever I see bullying

The Moraga iKind Project has prepared a presentation that adults (and maybe older scouts) can use to teach Cub Scouts how to become upstanders. Typically this would be at a pack meeting. This Powerpoint is intended as an example that may be changed by the person making the presentation. The first part of the presentation asks the Cub Scouts - "Is this Kind?". These slides introduce the Cub Scouts to the different forms of bullying and harassment that can occur (physical, verbal, emotional, and cyber-). Some of these slides also feature examples of bystanders. After this part of the program we review the various roles of bystanders and introduce the concept of **upstanders**. The video is used to demonstrate the roles played by bystanders and upstanders. The next set of slides have suggestions for being an upstander. The final slides are to let scouts, who may have been targeted in the past, know that they are not at fault and are not alone.

### The Pack needs to provide:

A location with the ability to show a Powerpoint Presentation. (Including amplified sound for the short video.)

Cub Scouts

Adult Leaders, Den Chiefs, or older scouts to help at the tables after the meeting.

### The Moraga iKind Project will provide (for free):

Materials, including pledge forms, wristbands, upstander materials, and prizes.

For Local Packs we can also provide a presenter and the loan of the prize wheel.

The Powerpoint Presentation and additional information is available here:

Reminder of several aspects of the Eagle Scout Rank process that have been missed by many of our Scouts lately. Please read them below and share the information with your Unit Leadership and Eagle Scout Candidates. If the Scout needs to have an extension of time, please have them complete the form found here: <https://www.scouting.org/wp-content/uploads/2020/12/GTA-11.2.0.0-form-2021.pdf>. This form then needs to be emailed to our Briones District Advancement Chair **Mrs. Bonnie Hazarabedian** ([bonzai@flash.net](mailto:bonzai@flash.net)), our Council Advancement Committee Chair **Mr. Merl Nygren** ([nygrene@att.net](mailto:nygrene@att.net)), and our Council Advancement Committee Advisor **Mr. Matt Lindberg** for review.

Please note that our council can only grant up to a six-month extension. Any time beyond that needs to be approved by our National Office. Also, our Council Advancement Committee only meets once per month to discuss extensions, please make sure to have your Scout complete the extension form and turn it in at least a few weeks before their 18th birthday. They are to continue to work towards completing their Eagle Rank even if they have not heard back from the committee about their extension.

Eagle Scout Project Proposals need to be reviewed and approved by either **Mr. Chris Kolm** ([cjkolm@hotmail.com](mailto:cjkolm@hotmail.com)) or **Mr. Mark Paulson** ([eagleworkbook@gmail.com](mailto:eagleworkbook@gmail.com)) prior to any work being done on the project. **Mr. Kolm** will review projects via email and then arrange meetings at his residence in Moraga by appointment on Monday evenings. They will sign in the "Council or District Approval" section on Proposal Page H in the Workbook (<https://www.scouting.org/wp-content/uploads/2021/02/EagleProjectWorkbook2021c-v2.pdf>).

If the Scout needs to complete an Eagle Scout Project Fundraising Application (Fundraising Application Page A in the Workbook), the "Authorized Council Approval" is for only **Michael Charlesworth**, as interim District Executive, to sign after signatures of the Beneficiary and Unit Leader are received. Please have the Scout email him at [michael.charlesworth@scouting.org](mailto:michael.charlesworth@scouting.org) and make sure to include at least one other adult in that email.

Once the Scout has completed their Scoutmaster Conference for Eagle, they need to send their completed Eagle Scout Rank Application to **Michael** ([michael.charlesworth@scouting.org](mailto:michael.charlesworth@scouting.org)) to review the application before it gets verified at our Council Office. The latest this step can be done is the day before the Scout's 18th birthday, or the final day of their approved extension. If the Scout has an extension, please have them let **Michael** know that final date of their extension at this time.

A few notes on the Eagle Scout Rank Application

([https://filestore.scouting.org/filestore/pdf/512-728\\_WB\\_fillable.pdf](https://filestore.scouting.org/filestore/pdf/512-728_WB_fillable.pdf)):

An Eagle Scout Rank Application can be downloaded from ScoutBook with all of the dates preloaded into the correct fields, by using the information provided on the attached PDF.

Each line on the application must be completed through the signature of the Unit Committee Chair on page two. With the exception of the employer reference, if the Scout is not employed.

All information for each reference must be included: name, address, telephone, and email. If the Scout does not have a religious reference, they must include a parent or guardian in that field.

The Grand total of hours under Requirement 5 on page two is the total number of hours the project took to complete, counting everyone's involvement, not just the Eagle Candidate. Please encourage your Scouts to start this tally of hours as they are starting to research project ideas.

If even one number on a completion date is incorrect from the Scout's official records, **Michael** will send the application back to the Scout to be corrected.

If there are missing dates for items that have not yet been entered into the Scout's Advancement Records, please include a BSA Advancement Report (<https://filestore.scouting.org/filestore/pdf/34403.pdf>) with the application. This report authorizes our Council to enter in the missing dates. If **Michael** finds a missing date on an application, **Michael** will reach out to you individually for this report.

Once the Eagle Scout Rank Application is correct, **Michael** will then send it to our Council Registrar **Michelle Behrendt** ([michelle.behrendt@scouting.org](mailto:michelle.behrendt@scouting.org)) for the Council Verification step on page two. This process may take a day or two, depending on workload, vacation schedules, etc.

After the verification has been complete, **Ms. Behrendt** will email a scan of the application back to the candidate, cc'ing **Michael** and our Council Advancement Committee Chair **Mr. Merl Nygren** ([nygreme@att.net](mailto:nygreme@att.net)).

Scouts can then schedule their Eagle Scout Board of Review with **Mr. Herb Lederman** ([herblederkop@gmail.com](mailto:herblederkop@gmail.com)) for the Lamorinda Area, or **Mr. Gordon Bell** ([gordon.ed.bell@gmail.com](mailto:gordon.ed.bell@gmail.com)) for the Walnut Creek/Pleasant Hill Area. Scouts working with **Mr. Lederman** for their Board of Review need to send their workbook to **Mr. Bruce McGurk** for pre-board processing. After the Board of Review is complete, paperwork is sent to our National Office for final verification and certification. About 3-4 weeks later (sometimes up to 6 weeks), the Eagle Scout's National Certificate and final paperwork is mailed back to our Council Office. Once they are received, the Scoutmaster or Committee Chair will be notified that the Eagle Credentials and Award Kit is available for pick up.

Please remind your Scouts to always include at least one other adult while emailing any of the people mentioned above. This keeps everyone within Youth Protection and CyberChip guidelines. If a Scout forgets to do so, **Michael** will kindly remind them of this policy in his email reply, in which he will include you.

We know that this is a long and complicated process. It can go smoothly by following these few steps.

Thank you and please let **Michael** know if you have any questions.

### **Briones District Troops & Scouts on the Trail to Eagle**

Starting now and until the Bay Area Health Officers end the Shelter in Place ruling that is now in place, the following guidelines are in effect for Life Scouts who are following their Trail to Eagle.

- We will continue to offer Zoom-based review boards for Project Proposal reviews. Check the District website for the procedure.
- We will continue to offer in person or Zoom-based review boards for Rank Advancement reviews. Check the District website for the procedure.
- Scouts may work on developing proposals and preparing the planning section of the Workbook for approved projects. For Scouts who have finished their project, they are encouraged to complete the Report section of their workbook. And, if they have met all the other requirements for Advancement, they should forward their Application to our District Executive to get Council's verification signature . . . again, check the District website for how to do this.
- Eagle projects can now be done with small fixed groups with masks and

distanced as much as possible.

## Briones Eagle Boards of Review

## Has your Eagle Scout aged out? Wondering how you can help?

Join the Power Team of commissioners! While the job may seem large **Mark Weyland**, our district commissioner, has picked out the 6 key functions a commissioner.

The unit commissioner is a friend to the unit, but what does that mean:

1. They check in with the unit's adult leadership and committee at least 5 times a year to gauge the success of the unit's program and offer suggestions for improvements or praise for their work.
2. They help the unit as needed to interact and engage with online BSA resources, and live or virtual roundtables

3. They help the unit recruit and maintain youth
  4. They help the unit recharter
  5. They help the unit resolve issues that may arise that the unit may not be able to solve on their own (act as a diplomat for the district and the council)
  6. They set the example in action and in presentation

Did you know that your units need to record their hours spent volunteering service to others? Every unit has a unique id number that they can use to record the hours. In order to make it easier for units, the District has set up an email address where you can report your hours, what the service was, and the number of Scouts that worked on it. Send an email listing the service, location, the total number of hours (# of Scouts x number of hours) to [Briones.service.hours@gmail.com](mailto:Briones.service.hours@gmail.com). Recording service hours affects everyone's Journey to Excellence scores (units, districts, councils, sections, etc...).

- **The Crayon Initiative:** More than a half million pounds of crayons are discarded every year, turning into a waxy sludge that clogs our landfills and never biodegrades, and is also a waste of resources. The Crayon Initiative collects donated crayons from restaurants, schools and homes across the country, then melts them down and remanufactures them, reducing waste. Better yet, the recycled crayons are distributed to art programs at children's hospitals across the US, brightening the lives of young patients during their stay.
