NEW STATE LAW FOR YOUTH VOLUNTEERS

**Live Scan
Background Check**

**2 hour training
Mandated reporter**

**CALIFORNIA
SCOUTING**

WWW.CALIFORNIASCOUTING.ORG

GGAC Scouting Family

Youth protection is a core value of the Golden Gate Area Council. We have an update on the Live Scan background check requirement of California law AB 506, which adds layers of protection to our already robust BSA Youth Protection and Barriers to Abuse policies.

As noted in previous communications, all youth service organizations (e.g. Scout units, church groups, and sports teams) are required to meet AB 506 standards as of January, 2022. Two of the AB 506 standards affect all adult volunteers, all employees, and many of our families.

Mandated Reporter Training from the State of California

Mandated Reporter Training is required in addition to our BSA Youth Protection Training. Volunteer leaders must complete the 2 hour training and upload their certificate at California Scouting.

Live Scan background check (complete before April 30)

A Live Scan background check (the digital version of inked fingerprinting) is required for all volunteers and staff. Live Scan replaces previous background checks; all volunteers will have to complete this once.

Please follow Step 3 at [California Scouting/GGAC](#) and use your web browser's pdf reader to open the Live Scan Request Form. Only the "Applicant Info" section needs to be completed. (Note: if your default settings are to open pdf files in Adobe Acrobat, the form may not be populated with our council's unique routing number)

Continue to refer to the California Scouting site, developed by all California councils, to follow the steps necessary for your training and Live Scan background check. **It is imperative that you complete steps 1-3 by April 30, 2022.** Local information will continue to be available at [GGAC Youth Protection](#). We appreciate your patience and assistance as we join all California Youth Service Organizations in improving youth protection.

Golden Gate Area Council Pre-Camp Leaders' Meeting For all Troops attending: Camp Royaneh, Camp Wolfeboro or Wente Scout Reservation

Wednesday, June 1, 2022 at 6:30pm

We have VERY IMPORTANT UPDATES regarding COVID-19 arrival procedures and AB-506 background check compliance. Units have been notified about the mandatory AB-506 attestation form, which is required two weeks in advance of your camp arrival. We want to help unit leaders complete the form. As a reminder, all adults in camp are required to be registered with the BSA, youth protection trained, and AB-506 verified with mandatory reporter online training and live scan fingerprinting/background check.

Note: AB-506 reporting is required by the State of California for all residents and does not pertain to Troops coming to a camp in California but residing in another state. Residents of other states must be registered with the BSA and Youth Protection Trained.

The meeting will be on Wednesday, June 1st at 6:30 pm. Please ensure at least 2 Adult Leaders attend from your Unit. Register in advance using the link below. After registering, you will receive a confirmation email containing information about joining the meeting.

Mental health issues have become a major concern for several units, due to the recent deaths of two students in the Lamorinda area. May was mental health awareness month.

BeAScout.org Leads - Did You Know?

For All Unit Leaders

The BSA National office has alerted us that there is a noticeable spike in web activity on sites like BeAScout.org over the holiday break, with families searching for positive, outdoor activities for their children--just what Scouting is here to deliver!

The Call to Action for you is: 1) Expect that there might be Active Leads arriving to your unit via Invitation Manager within my.scouting.org and 2) PLEASE act on such invitations promptly to engage with those who are reaching out. There has never been a more important time to help youth/families find a unit and join our program!

The annual Friends of Scouting campaign has started! With FOS presentations fast approaching, we need to start scheduling them. [Jill Tarkoff](#) has agreed to lead our family FOS efforts!!! One thing that we can do to help get the ball rolling is to get the dates and times that your unit is planning to have your FOS presentation. Please reach out and let [Michael Charlesworth](#) and [Jill Tarkoff](#) know what date you are planning on having your presentations. Once we get your date, we can get the volunteers to give the presentations and then we can fund the program that we all love! Thank you all for everything that you do.

Creating a Community of Upstanders for Cub Scouts

Interactive PowerPoint Presentation
20-25 minutes
(perfect for Pack Meetings)

After the meeting tables:

Sign the iKind Pledge for a wristband and a sticker.

Spin the kindness wheel and win a prize.

Be Kind

BE A FRIEND
whenever I see bullying

The Moraga iKind Project has prepared a presentation that adults (and maybe older scouts) can use to teach Cub Scouts how to become upstanders. Typically this would be at a pack meeting. This Powerpoint is intended as an example that may be changed by the person making the presentation. The first part of the presentation asks the Cub Scouts - "Is this Kind?". These slides introduce the Cub Scouts to the different forms of bullying and harassment that can occur (physical, verbal, emotional, and cyber-). Some of these slides also feature examples of bystanders. After this part of the program we review the various roles of bystanders and introduce the concept of **upstanders**. The video is used to demonstrate the roles played by bystanders and upstanders. The next set of slides have suggestions for being an upstander. The final slides are to let scouts, who may have been targeted in the past, know that they are not at fault and are not alone.

The Pack needs to provide:

A location with the ability to show a Powerpoint Presentation. (Including amplified sound for the short video.)
Cub Scouts

Adult Leaders, Den Chiefs, or older scouts to help at the tables after the meeting.

The Moraga iKind Project will provide (for free):

Materials, including pledge forms, wristbands, upstander materials, and prizes.
For Local Packs we can also provide a presenter and the loan of the prize wheel.

The Powerpoint Presentation and additional information is available here:

Reminder of several aspects of the Eagle Scout Rank process that have been missed by many of our Scouts lately. Please read them below and share the information with your Unit Leadership and Eagle Scout Candidates. If the Scout needs to have an extension of time, please have them complete the form found here: <https://www.scouting.org/wp-content/uploads/2020/12/GTA-11.2.0.0-form-2021.pdf>. This form then needs to be emailed to our Briones District Advancement Chair **Mrs. Bonnie Hazarabedian** (bonzai@flash.net), our Council Advancement Committee Chair **Mr. Merl Nygren** (nygreme@att.net), and our Council Advancement Committee Advisor **Mr. Matt Lindberg** for review.

Please note that our council can only grant up to a six-month extension. Any time beyond that needs to be approved by our National Office. Also, our Council Advancement Committee only meets once per month to discuss extensions, please make sure to have your Scout complete the extension form and turn it in at least a few weeks before their 18th birthday. They are to continue to work towards completing their Eagle Rank even if they have not heard back from the committee about their extension.

Eagle Scout Project Proposals need to be reviewed and approved by either **Mr. Chris Kolm** (cjkolm@hotmail.com) or **Mr. Mark Paulson** (eagleworkbook@gmail.com) prior to any work being done on the project. **Mr. Kolm** will review projects via email and then arrange meetings at his residence in Moraga by appointment on Monday evenings. They will sign in the "Council or District Approval" section on Proposal Page H in the Workbook (<https://www.scouting.org/wp-content/uploads/2021/02/EagleProjectWorkbook2021c-v2.pdf>).

If the Scout needs to complete an Eagle Scout Project Fundraising Application (Fundraising Application Page A in the Workbook), the "Authorized Council Approval" is for only **Michael Charlesworth**, as interim District Executive, to sign after signatures of the Beneficiary and Unit Leader are received. Please have the Scout email him at michael.charlesworth@scouting.org and make sure to include at least one other adult in that email.

Once the Scout has completed their Scoutmaster Conference for Eagle, they need to send their completed Eagle Scout Rank Application to **Michael** (michael.charlesworth@scouting.org) to review the application before it gets verified at our Council Office. The latest this step can be done is the day before the Scout's 18th birthday, or the final day of their approved extension. If the Scout has an extension, please have them let **Michael** know that final date of their extension at this time.

A few notes on the Eagle Scout Rank Application

(https://filestore.scouting.org/filestore/pdf/512-728_WB_fillable.pdf):

An Eagle Scout Rank Application can be downloaded from ScoutBook with all of the dates preloaded into the correct fields, by using the information provided on the attached PDF.

Each line on the application must be completed through the signature of the Unit Committee Chair on page two. With the exception of the employer reference, if the Scout is not employed.

All information for each reference must be included: name, address, telephone, and email. If the Scout does not have a religious reference, they must include a parent or guardian in that field.

The Grand total of hours under Requirement 5 on page two is the total number of hours the project took to complete, counting everyone's involvement, not just the Eagle Candidate. Please encourage your Scouts to start this tally of hours as they are starting to research project ideas.

If even one number on a completion date is incorrect from the Scout's official records, **Michael** will send the application back to the Scout to be corrected.

If there are missing dates for items that have not yet been entered into the Scout's Advancement Records, please include a BSA Advancement Report (<https://filestore.scouting.org/filestore/pdf/34403.pdf>) with the application. This report authorizes our Council to enter in the missing dates. If **Michael** finds a missing date on an application, **Michael** will reach out to you individually for this report.

Once the Eagle Scout Rank Application is correct, **Michael** will then send it to our Council Registrar **Michelle Behrendt** (michelle.behrendt@scouting.org) for the Council Verification step on page two. This process may take a day or two, depending on workload, vacation schedules, etc.

After the verification has been complete, **Ms. Behrendt** will email a scan of the application back to the candidate, cc'ing **Michael** and our Council Advancement Committee Chair **Mr. Merl Nygren** (nygreme@att.net).

Scouts can then schedule their Eagle Scout Board of Review with **Mr. Herb Lederman** (herblederkop@gmail.com) for the Lamorinda Area, or **Mr. Gordon Bell** (gordon.ed.bell@gmail.com) for the Walnut Creek/Pleasant Hill Area. Scouts working with **Mr. Lederman** for their Board of Review need to send their workbook to **Mr. Bruce McGurk** for pre-board processing. After the Board of Review is complete, paperwork is sent to our National Office for final verification and certification. About 3-4 weeks later (sometimes up to 6 weeks), the Eagle Scout's National Certificate and final paperwork is mailed back to our Council Office. Once they are received, the Scoutmaster or Committee Chair will be notified that the Eagle Credentials and Award Kit is available for pick up.

Please remind your Scouts to always include at least one other adult while emailing any of the people mentioned above. This keeps everyone within Youth Protection and CyberChip guidelines. If a Scout forgets to do so, **Michael** will kindly remind them of this policy in his email reply, in which he will include you.

We know that this is a long and complicated process. It can go smoothly by

following these few steps.

Thank you and please let **Michael** know if you have any questions.

Fifty miles is a long way to travel, whether you're hiking, bicycling, boating or canoeing. That's why the BSA's **50-Miler Award** exists — to recognize these achievements and to promote activities that improve personal fitness, self-reliance, knowledge of the outdoors.

- Eagle projects can now be done with small fixed groups with masks and

distanced as much as possible.

Join the Power Team of commissioners! While the job may seem large **Mark Weyland**, our district commissioner, has picked out the 6 key functions a commissioner.

The unit commissioner is a friend to the unit, but what does that mean:

1. They check in with the unit's adult leadership and committee at least 5 times a year to gauge the success of the unit's program and offer suggestions for improvements or praise for their work.
2. They help the unit as needed to interact and engage with online BSA resources, and live or virtual roundtables

3. They help the unit recruit and maintain youth
 4. They help the unit recharter
 5. They help the unit resolve issues that may arise that the unit may not be able to solve on their own (act as a diplomat for the district and the council)
 6. They set the example in action and in presentation

Did you know that your units need to record their hours spent volunteering service to others? Every unit has a unique id number that they can use to record the hours. In order to make it easier for units, the District has set up an email address where you can report your hours, what the service was, and the number of Scouts that worked on it. Send an email listing the service, location, the total number of hours (# of Scouts x number of hours) to Briones.service.hours@gmail.com. Recording service hours affects everyone's Journey to Excellence scores (units, districts, councils, sections, etc...).

Better yet, the recycled crayons are distributed to art programs at children's hospitals across the US, brightening the lives of young patients during their stay.
