New “Welcome to Cub Scouts” One-Pager Is Exactly the Info New Families Need

Units should provide this easy-to-use document to new families to make sure they know key details and feel welcomed.

The data is in! New Scout families want to feel welcome and a sense of belonging in their new unit. And when they do, these Scouts will stay in

Scouting programs for a long time.

So what does this mean for Cub Scout leaders? Of course, being welcoming and kind to newcomers is at Scouting's core. But there is one tool you can start using right now to get families the info they need to feel welcomed right off the bat.

Check out the new ["Welcome to Cub Scouts one-pager"](#) and fill in the blanks for your unit. Then, make handing, mailing, emailing or texting this info sheet to new parents part of your welcoming process.

The updates include answers to recent frequent questions and a new section on maintaining program integrity.

From Acadia in Maine to Joshua Tree in California and beyond, our country's national parks **hosted 237 million people** in 2020.

But despite the continued popularity of these wide-open spaces, there's one National Park Service offering that remains lesser known.

It's the **Resource Stewardship Scout Ranger program**, which offers an oval-shaped patch to Cub Scouts and Scouts who participate in "organized educational activities or volunteer service projects for a minimum of 10 hours at one or more national parks."

"One ongoing issue in many parks is a lack of funding and personnel shortages," he says. "Many parks depend on volunteers and community service work. By attending educational programs that the parks offer, Scouts are learning more about the resource and will be more likely to be better stewards and set good examples."

How to Earn a Certificate and/or Patch

Scouts can participate in the Resource Stewardship Scout Ranger Program through a troop, event, travel, or camp experience, and will be awarded a program certificate and/or patch upon completion.

To earn a Scout Ranger certificate, Scouts should participate in organized education activities and/or volunteer service projects for a minimum of five (5) hours at one or more national parks.

To earn a Scout Ranger patch, Scouts should participate in organized educational activities or volunteer service projects for a minimum of ten (10) hours at one or more national parks.

(There are plenty of National Park Service sites in the San Francisco Bay Area for Scouts to earn this Certificate and/or Patch. Editors Comment.)

Reminder of several aspects of the Eagle Scout Rank process that have been missed by many of our Scouts lately. Please read them below and share the information with your Unit Leadership and Eagle Scout Candidates. If the Scout needs to have an extension of time, please have them complete the form found here: <https://www.scouting.org/wp-content/uploads/2020/12/GTA-11.2.0.0-form-2021.pdf>. This form then needs to be emailed to our Briones District Advancement Chair **Mrs. Bonnie Hazarabedian** (bonzai@flash.net), our Council Advancement Committee Chair **Mr. Merl Nygren** (nygreme@att.net), and our Council Advancement Committee Advisor **Mr. Michael Charlesworth** (michael.charlesworth@scouting.org) for review.

Please note that our council can only grant up to a six-month extension. Any time beyond that needs to be approved by our National Office. Also, our Council Advancement Committee only meets once per month to discuss extensions, please make sure to have your Scout complete the extension form and turn it in at least a few weeks before their 18th birthday. They are to continue to work towards completing their Eagle Rank even if they have not heard back from the committee about their extension.

Eagle Scout Project Proposals need to be reviewed and approved by either **Mr. Ed Isley** (ekisely@comcast.net) or **Mr. Mark Paulson** (eagleworkbook@gmail.com) prior to any work being done on the project. They will sign in the "Council or District Approval" section on Proposal Page H in the

If the Scout needs to complete an Eagle Scout Project Fundraising Application (Fundraising Application Page A in the Workbook), the “Authorized Council Approval” is for only **Andrew Dale**, as District Executive, to sign after signatures of the Beneficiary and Unit Leader are received. Please have the Scout email him at andrew.dale@scouting.org and make sure to include at least one other adult in that email.

Once the Scout has completed their Scoutmaster Conference for Eagle, they need to send their completed Eagle Scout Rank Application to **Andrew** (andrew.dale@scouting.org) to review the application before it gets verified at our Council Office. The latest this step can be done is the day before the Scout’s 18th birthday, or the final day of their approved extension. If the Scout has an extension, please have them let **Andrew** know that final date of their extension at this time.

A few notes on the Eagle Scout Rank Application (https://filestore.scouting.org/filestore/pdf/512-728_WB_fillable.pdf):

An Eagle Scout Rank Application can be downloaded from ScoutBook with all of the dates preloaded into the correct fields, by using the information provided on the attached PDF.

Each line on the application must be completed through the signature of the Unit Committee Chair on page two. With the exception of the employer reference, if the Scout is not employed.

All information for each reference must be included: name, address, telephone, and email. If the Scout does not have a religious reference, they must include a parent or guardian in that field.

The Grand total of hours under Requirement 5 on page two is the total number of hours the project took to complete, counting everyone’s involvement, not just the Eagle Candidate. Please encourage your Scouts to start this tally of hours as they are starting to research project ideas.

If even one number on a completion date is incorrect from the Scout’s official records, **Andrew** will send the application back to the Scout to be corrected.

If there are missing dates for items that have not yet been entered into the Scout’s Advancement Records, please include a BSA Advancement Report (<https://filestore.scouting.org/filestore/pdf/34403.pdf>) with the application. This report authorizes our Council to enter in the missing dates. If **Andrew** finds a missing date on an application, **Andrew** will reach out to you individually for this report.

Once the Eagle Scout Rank Application is correct, **Andrew** will then send it to our Council Registrar **Mrs. Masouda Ibrahim** (masouda.ibrahimi@scouting.org) for the Council Verification step on page two. This process may take a day or two, depending on workload, vacation schedules, etc.

After the verification has been complete, **Mrs. Ibrahim** will email a scan of the application back to the candidate, cc’ing **Andrew** and our Council Advancement Committee Chair **Mr. Merl Nygren** (nygrene@att.net).

Scouts can then schedule their Eagle Scout Board of Review with **Mr. Herb Lederman** (herblederkop@gmail.com) for the Lamorinda Area, or **Mr. Gordon Bell** (gordon.ed.bell@gmail.com) for the Walnut Creek/Pleasant Hill Area. Scouts working with Mr. Lederman for their Board of Review need to send their workbook to **Mr. Bruce McGurk** for pre-board processing. After the Board of Review is complete, paperwork is sent to our National Office for final verification and certification. About 3-4 weeks later (sometimes up to 6 weeks), the Eagle Scout's National Certificate and final paperwork is mailed back to our Council Office. Once they are received, the Scoutmaster or Committee Chair will be notified that the Eagle Credentials and Award Kit is available for pick up. Since the office is closed at this time, we will arrange a pick up time, or Andrew would be happy to drop off the items at your home or place of work.

Please remind your Scouts to always include at least one other adult while emailing any of the people mentioned above. This keeps everyone within Youth Protection and CyberChip guidelines. If a Scout forgets to do so, **Andrew** will kindly remind them of this policy in his email reply, in which he will include you.

We know that this is a long and complicated process. It can go smoothly by following these few steps.

Thank you and please let **Andrew** know if you have any questions.

IMPORTANT INFORMATION FOR SCOUTS ON TRAIL TO EAGLE

Briones District Troops & Scouts on the Trail to Eagle

Starting now and until the Bay Area Health Officers end the Shelter in Place ruling that is now in place, the following guidelines are in effect for Life Scouts who are following their Trail to Eagle.

- We will continue to offer Zoom-based review boards for Project Proposal

reviews. Check the District website for the procedure.

- We will continue to offer in person or Zoom-based review boards for Rank Advancement reviews. Check the District website for the procedure.
- Scouts may work on developing proposals and preparing the planning section of the Workbook for approved projects. For Scouts who have finished their project, they are encouraged to complete the Report section of their workbook. And, if they have met all the other requirements for Advancement, they should forward their Application to our District Executive to get Council's verification signature . . . again, check the District website for how to do this.
- Eagle projects can now be done with small fixed groups with masks and distanced as much as possible.

Briones Eagle Boards of Review

EBORs are available for Scouts who have completed all their requirements. Scouts can then schedule their Eagle Scout Board of Review with **Mr. Herb Lederman** (herblederkop@gmail.com) for the Lamorinda Area, or **Mr. Gordon Bell** (gordon.ed.bell@gmail.com) for the Walnut Creek/Pleasant Hill Area. Scouts working with Mr. Lederman for their Board of Review need to send their workbook to [Mr. Bruce McGurk](#) for pre-board processing.

Has your Eagle Scout aged out? Wondering how you can help?

The District is in desperate need of additional volunteer commissioners to help units. While the job may seem large **Mark Weyland**, our district commissioner, has picked out the 6 key functions a commissioner.

The unit commissioner is a friend to the unit, but what does that mean:

1. They check in with the unit's adult leadership and committee at least 5 times a year to gauge the success of the unit's program and offer suggestions for improvements or praise for their work.
2. They help the unit as needed to interact and engage with online BSA resources, and live or virtual roundtables
3. They help the unit recruit and maintain youth
4. They help the unit recharter
5. They help the unit resolve issues that may arise that the unit may not be able to solve on their own (act as a diplomat for the district and the council)
6. They set the example in action and in presentation

To commemorate the agency's 50th anniversary last year, the **Boy Scouts of America** and **EPA** signed a memorandum of understanding to create a **special award**, encouraging those in the Scouts BSA program to strive to protect the environment. The award, which features a patch, requires Scouts to earn environmental and community health-focused merit badges and participate in a

service project.

[Read all about the award at Bryan on Scouting.](#)

Did you know that your units need to record their hours spent volunteering service to others? Every unit has a unique id number that they can use to record the hours. In order to make it easier for units, the District has set up an email address where you can report your hours, what the service was, and the number of Scouts that worked on it. Send an email listing the service, location, the total number of hours (# of Scouts x number of hours) to Briones.service.hours@gmail.com. Recording service hours affects everyone's Journey to Excellence scores (units, districts, councils, sections, etc...).

You too can help!

Your District Committee needs your help, we have many openings. While we're listing only the primary position, every position can use additional help even those not mentioned. The more folks who volunteer the easier the work. Let [Bruce McGurk](#) or [Mark Weyland](#) know if you're interested in helping.

We are in desperate need of a Roundtable Commissioner (their job is coordinate the Roundtable meetings from September thru June).

Scouts BSA Roundtable

We are equally desperate in our need of a volunteer to coordinate and present programs for troops each month.

Cub Scout Roundtable

We are equally desperate in our need of a volunteer to coordinate and present programs for packs each month.

Conservation Chair

We are in need of someone to be our Conservation Chair. You will be responsible for keeping track of conservation related opportunities in the District and sending the information to the newsletter editor.

Day Camp Directors

Will you miss not having day camp for your Cub Scouts? We need at least two people to step up and start planning next years day camp. Planning will start in September for 2022. **There will be no day camp if no one steps up to chair it.**

Unit Commissioners

This is a rewarding fun job for those who have stepped down from working with their units. It's a great opportunity to share your knowledge with units who need help or just a little advice on the best way to do things.
